The Keep America Beautiful Organization is sponsoring its 19th Annual Great American Cleanup running from March 20, 2017 through December 31, 2017 in over 200,000 communities across the U.S. This year's theme is "Clean Your Block Party" and encourages volunteers to take part in a public space cleanup event by organizing a cleanup or beautification event in your own neighborhood, street or road.

This 19th Commonwealth Cleanup Week is a project sponsored by the Division of Waste Management through the Energy and Environment Cabinet and it encourages civic, religious and non-profit groups to clean parks, city streets, rural roadways, river banks, etc. and each group can enter for one of (6) \$100 random prize drawings through their local County Solid Waste Coordinator. Projects MUST be completed during the week of March 18 thru March 25, 2017, with the entry form submitted to the Bracken County Office of Solid Waste Management.

*Bracken County's **C**.lean**U**.p **B**.racken **Party** is sponsored by Bracken County Solid Waste Management to encourage all Bracken County Citizens to take pride in our beautiful, rural Bracken County. Families, church groups, school organizations, classes, and any individual is encouraged to complete as many projects as they want during the C.U.B. Party that will run from February 22, 2017 through December 22, 2017. Each separate project can be entered into the contest of a random drawing for at least \$100 cash on December 23, 2017.*

The more projects you complete, the more chances you have of winning! We chose the name C.U.B. Party because Augusta's ball teams are called the Augusta Panthers and Bracken County's ball teams are called the Bracken County Polar Bears. In the wild, panthers and polar bears young are called "cubs", thus the name Bracken County C.U.B. Party standing for CleanUp Bracken Party!!!
